

19496 m²

Plot area:

Property type: Land

Location : Yecla
Bedrooms : 0
Bathrooms : 0

19,496 m2 plot planted with century-old olive trees in full production. Located in a privileged natural setting. Surrounded by pine forests. In a spectacular mountainous area. It is not connected to the electricity grid. It is not connected to the drinking water or irrigation water. Ideal for caravans, campervans, and motorhomes. Construction of a single-family home is possible. Far from quarries.
