About Sax.

The picturesque town of Sax tumbles down a hillside in the Vinalopó Valley, in south-eastern Spain and is one of a series of towns and villages in this region of the Costa Blanca which are dominated by castles. Sax has a population of around 9,000 and is located between the towns of Villena and Elda. The history of Sax goes back to the times of the Moorish occupation beginning during the Eighth Century and little is known of the town prior to that time.

The people of Sax are warm and friendly and the town has a good selection of shops, tapas bars and restaurants, a market is held twice weekly on Wednesdays and Saturdays. As always Sax has its share of fiestas and festivals, the main one being the Moors and Christians festival held during the first 2 weeks of February.
